No flowery phrase can quite include
Our warm and heartfelt gratitude.

MR. WILLIAM L. FIDLER
Supervising Principal

Your wisdom will guide, your strength will lead,
Your knowledge will help, whate'er may impede.

The Supervising Principal's Message

An indispensable accessory to the knowledge that a student acquires in school is the ability to continue his education intelligently after he leaves the school.

Employing teachers to do for students what these must eventually do for themselves, as the price of real education, is sheer waste both of funds and of educational opportunity. The process not only wastes the student's time; it gives him a constant and impressive object lesson in false and specious education.

All worthwhile learning results only through the efforts of the learner.

W. L. FIDLER.

MISS GRACE N. KRAMER
High School Principal

For your generous help and guidance true,
We sincerely offer thanks to you.

The Principal's Message

The higher men climb, the longer their working day. Any young man with a streak of idleness in him may better make up his mind at the beginning that mediocrity will be his lot. Without immense, sustained effort, he will not climb high. And even though fortune or chance were to lift him high, he would not stay there. For to keep at the top is harder almost than to get there.

Live for something. Do good, and leave behind you a monument of virtue that the storms of time can never destroy. Write your name in kindness, love and mercy on the hearts of thousands you come in contact with year by year, and you will never be forgotten. Your name and good deeds will shine as the stars.

GRACE N. KRAMER.

Class Poem

ALMA MATER

Dear Audubon High, in years gone past,
In time which comes and flees so fast,
Thy children left thee one by one,
And now our work with thee is done.

We can ne'er forget the debt we owe
As from thy halls of fame we go;
Time can not dim thy guiding start,
Which first endeared thee to our heart.

As we travel the road and strive for the best,
Fighting life's battles and meeting the test,
Memories drifting of classmates and friends
Shall bring realization that here the best ends.

All thanks to thee, our Audubon High!
Our praises resound to heaven and sky,
Our hearts now are full, our song is complete,
Our years spent with thee are treasures most sweet.

Class History

In line with the Grecian style of this yearbook, we, the historians, do deliver the following orations in honor of the Class of 1935, and hope that through this brief history you will have a better idea of the accomplishments of this most remarkable group.

FIRST ORATION

Lost little ones! Groping in the midst of new curricula and standing in awe of beginning so great a project—our high school experience! Many promising athletic stars were launched in training. This first lap marked the forming of new friendships and a feeling of responsibility. The "Frosh" were complimented on the way they supported the activities of the then upper classmen. Whoever thought that this insignificant group would blossom forth into a record breaking class! Whoever dreamed that they would produce the best plays, the best actors, the best athletes, and most important of all, the best students; but as you read the following orations you will be convinced of these truths, so on to the

SECOND ORATION

Some semblance of class organization at last! The honors of leading this famous class were conferred on Harry Furey, President; James Griffin, Vice President; Dolores Rosenberger, Secretary; Dorothy Tully, Corresponding Secretary; and Ralph Prichard, Treasurer. With a false sense of importance, several ambitious boys fell to initiating their "inferiors" with a ducking under the drinking fountain. They were soon restrained, however, by a bit of information that the word "Sophomore" means "foolishly wise." The gala social event of the year was the Sophomore party, which was a brilliant success. The wealth of the class increased each "Duesday"; for when we were Sophomores, our pockets were sufficiently filled to meet our debt requirements. It was with great satisfaction then, that we brought to a close this most precarious year and prepared for the

THIRD ORATION

Now for our most successful year! As the Junior Class of 1934, we figuratively "went to town." The first thing that we did was to again appoint officers. Harry Furey was elected President for the second time; Harry Atkinson became Vice President; Recording Secretary was Mary Hess; Dorothy Tully was selected to be Corresponding Secretary and to Arnold Mayers fell the important post of Treasurer. Under the capable guidance of these officers the class made history, financially and otherwise. Dances, movie benefits, and a sparkling three act comedy, "The Odd Job Man," conceded to be the best dramatic production yet offered by any class, all helped swell the treasury to record proportions. It was with hopeful and confident eyes that we looked forward to our senior year, nor could we be blamed for "strutting" just a little bit and looking down with haughty eyes upon the under classmen.

AUDUBON HIGH SCHOOL

FOURTH ORATION

September! And for the fourth and final time we assembled under one roof! A big year was before us and we immediately settled down to work. Officers were elected for the third and last time. In recognition of his sterling services during the sophomore and junior years, Harry Furey was unanimously elected President. Howlett Moyer became Vice President; Carolyn Earley took over the duties of Recording Secretary; Marion Smith was appointed Corresponding Secretary; and Everett Elwell fell heir to the duties of Treasurer. It was during this year that the historic Junior-Senior feud took place. For about two weeks the rival classes battled valiantly, but we more than held our own. Our "Victory Dance" received a stunning blow by reason of the totally unexpected reverse handed the football team by Haddon Heights. This was one of the real drawbacks to a successful year. Our class inaugurated an entirely new procedure in movie benefits. The plan, which engaged the services of the Mt. Ephraim and Ritz theatres on successive weeks, was a huge success and gave out-of-town students a fine chance to swell their personal funds. A big, busy, bustling year; but all too short! Almost before we knew it, term papers were being hastily finished and preparations begun for the Washington trip—the outstanding event of our high school career. Who will ever forget it? Then—Graduation, the final chapter in our scholastic memories! We will always remember the solemn services and impressive ceremonies, attended with all the wistful rejoicing so essentially a part of this final leave-taking.

WILSON RITZIUS.

The Student Council was a real legislative body. It established dancing in the gym for the senior school; it helped to bring about a revision of the athletic award system; and its Board of Control strictly enforced all its rulings. This council achieved very many noteworthy results from its unceasing endeavors to improve the school.

This year the Print Club inaugurated the weekly "Parrot." Appearing every Monday, it contained late sports news, original cartoons, frequent pictures, special features and up-to-the-minute reports of school activities. This "Parrot" was the first to contain advertisements. It was quite successful, having a larger circulation than any former "Parrot." Its influence was widespread and by close cooperation with the Student and A. A. Councils it accomplished many notable reforms.

Band MajorJACK HEAKE

Led by "high-stepping" Jack Heake, the brilliantly attired band added much color to all Audubon's football games. In addition to this important duty it played for a "pep" meeting, a political rally, and sent six members to perform in the County Band. It, of course, added its sparkling melodies to the Spring Concert given by the Music Department.

A. H. S. Orchestra

DirectorMR. WALDEMAR EVERT

The orchestra is one of the most active and necessary organizations in the school. It had the honor of sending sixteen members to the County Orchestra and four to the State Orchestra. It played for all the important dramatic functions in addition to presenting songs for the entertainment of the Fathers' Association and the Parent-Teachers' Association. Among the selections it rendered at the Spring Concert were "Three English Dances" by Edward German.

Hockey

The 1934 hockey season was very successful for the Audubon lassies. The girls played well and made a fine appearance in their new green tunic suits. The team was made up of four veterans and six new players. Out of the nine league games played only three were lost. This gave Audubon undisputed third place in the league. Each year the teams are improving not only in team-work but also in stick-work. Twice the girls lost—to Woodbury and Collingswood—but they hope their teams will be more successful in the future.

A first and second All-Star Team was selected from all the schools in the league. Audubon placed one player on the first team—Marjorie Piatkin, left full-back—and one player on the second team—Edna Klaitz, right half-back.

Girls' Basketball

Although our girls' basketball team did not come out on top in the League, a splendid fighting spirit was shown during the games; and the girls should be congratulated on their good work. Graduation will take Captain Edna Klaitz, Virginia Lutz, Marian Smith and Margaret Zigenfus; but we feel sure there will be others to fill their places. May next year's team have a successful season and as much spirit as the 1935 team!

FOOTBALL

Football

As the curtain was rung down on the end of another interscholastic football season, Audubon High School's powerful gridiron machine was again revealed as Group 3 Champions for the third consecutive year. Receiving opposition throughout the campaign from the strong Millville aggregation, the New Jersey solons awarded the decision to Audubon by one-tenth of a point.

The Audubon eleven this year was one of the most perfectly balanced ever to tread local greensward. There were a few outstanding stars who performed in such a cooperative fashion that they were thorns in the side of all opposing teams.

Led by a beautiful passing attack and protected by a powerful defensive wall, the "Green Wave" was conquered only once, and tied twice. The team completed the longest schedule in its history, eleven games—a real tribute to the stamina of the men.

Next year the team will be depleted of ten present players, "Bob" Atkinson, Blase Ravikio, "Jim" Griffin, Horace Barber, "Bill" Flynn, Howlett Moyer, "Bill" Heller, "Pete" Furey, and "Bob" Ramsey, all of whom will be graduated.

Audubon also placed several men on the mythical South Jersey all-star teams. Ravikio and Flynn each gained guard and end positions respectively on the All-South Jersey eleven, while "Bucky" Lai earned a second team halfback berth.

Let us briefly summarize the games.

GLASSBORO—Audubon received little opposition from the "Glassers" in the opening game of the season, winning handily 24-13.

PLEASANTVILLE—The "Green Wave" pulled the game out of the fire in the last minute of the play to keep its record intact, 13-7.

MILLVILLE—Another tight squeeze! This time the Pickenmen "nosed out" the "Millers" on a blocked kick. The score was 6-0.

P. S. D.—The Pennsylvania School for the Deaf was the victim of our seventeenth consecutive victory, 13-0.

WOODBURY—Pre-game favorites to win, Woodbury's "Thundering Herd" came to Audubon set to avenge last season's stinging defeat but fell before an inspired Audubon eleven to the "tune" of 13-0.

PALMYRA—Audubon's championship aggregation striving for its nineteenth straight win was momentarily halted by Palmyra, who held the locals to a 0-0 deadlock. Playing on a muddy field and before a small crowd, neither team could get its attack functioning.

HADDONFELD—Audubon's mighty "Green Wave" continued its unbeaten streak after being momentarily halted the previous Saturday when they bowled over a highly touted Haddonfield eleven, 6-0.

OCEAN CITY—Kept from piling a higher score by numerous bad breaks, Coach Picken's "Little Giants" scored their twentieth win over Coach Von Henriod's "Clam-diggers" by a 12-7 margin.

MOORESTOWN—Again another team came to town touted to the skies and again they returned on the short end of a 13-0 score. The "Audubonites" seemed to follow that time-honored phrase "the bigger they are, the harder they fall" to perfection as they completely out-classed the Burlington County team in the season's finest game.

HADDON HEIGHTS—No team was a worse "underdog" than Haddon Heights on that fateful November Saturday and no team created more of a surprise than this same "Heights" aggregation when it out-fought a tiring Audubon eleven, 12-7. The strain of the long schedule was clearly evident in this fracas.

BRIDGETON—Needing a tie or a win over Bridgeton to be sure of the championship, the "Green Wave" succeeded in getting the former. Audubon completely outplayed the Cumberland County eleven, making several long marches down the field only to be stopped every time. The final was 0-0.

Medford Lakes—Banquet—Audubon's famous victory banquet was celebrated in the Medford Lakes Log Cabin for the third straight year. Mr. Thomas Kenneally, a former Notre Dame quarterback and present coach at Rutgers, was the principal speaker.

The Championship was celebrated by several hundred rabid Audubon rooters, who topped the fine evening's entertainment with many hours of dancing to the music of Norman Glenz and his orchestra.

Basketball

Wm. Flynn

"The greatest basketball team ever to represent Audubon High School" was the title earned by the 1935 quintet. The team finished higher in the league standing than Audubon has ever done before, third place. Although five defeats were registered, Collingswood and Woodbury two a-piece, and Vineland one, each of these losses was hotly contested.

Coach Picken molded an unexpectedly fine team around Co-Captains "Bill" Flynn and Howlett Moyer. The rest of the starting five consisted of center, "Charley" Myers, and guards, "Bob" Nesbit and "Bill" Ulrich. Of these five men only one will be back next year, "Bill" Ulrich.

The team this year was just another basketball team at the start of the season; but it was soon evident that Audubon rated among the best in the league, a team with no particular bright stars but a smooth working, fine passing combination that was a thorn in the side of every opponent.

Audubon was eliminated by Palmyra in the first round at the state tournament. The "Pals'" height and fine eyes proved too much for the locals.

AUDUBON HIGH SCHOOL

Baseball

"The national pastime" at Audubon this year blossomed out into one of the best in the history of the school. With Captain "Bob" Nesbit, mainstay of the pitching staff, as leader, the "Pickenmen" emblazoned their name high in the winners' column of the Camden Suburban League.

A wealth of experienced men combining their talents with several newcomers made a fast, smooth working nine. The team consisted of many seniors who will leave A. H. S. this year, the chief among them being "Bob" Nesbit, "Jim" McElvarr, Harry Atkinson, Howlett Moyer, "Bob" Stahl, "Bill" Flynn, "El" Wheatley, and "Bill" Heller. Nevertheless, the prospects for the coming season are more than promising and much hope is held for the 1936 nine.

Track

Around a fine, balanced squad of experienced veterans, Coach Crawford Lance molded an extremely successful 1935 track ensemble. Besides scoring high in the Penn Relays, Delaware Interstate, Camden Suburban League Meet and the New Jersey State Meet, the "Lancemen" were exceedingly successful in their own inter-scholastic meetings.

The team, led by Captain "Rube" Brody, consisted of "Bill" Ulrich, "Al" Cordingley, "Bob" Ramsay, "Jim" Connery, "Pete" Furey, Blase Ravikio, Horace Barber, "Joe" Reuss and several others.

Led by Captain Walter Connors, the team consisted of Richard Newsham, Charles Schweitzer, Walter Paul, Frank Knight, Robert Ramsay, Byron Opferman and Jack Roberts. The alternates were Morris Condon and Raymond White.

Tennis

The tennis team launched its second season in Audubon High this year. With three lettermen back, Coaches Lambert and Heritage molded a successful combination. The team consists of "Rudy" Waad, John Heitman, Captain Jesse Abbott, Jack Roberts, Earl Vandergrift, singles men, and Jack Heake and Joe Carney, doubles team. The team was under the management of Stuart Trottmann and George Stow, senior and junior respectively.
